Dining

The dining salon seats (8) comfortably but could accommodate (10) people. The table is surrounded on all four sides by stunning cherrywood cabinetry. These cabinets, topped with Amarello Venetano Granite, double as a buffet and have been configured to house enough platters, place settings and vases to satisfy the most avid entertainer. Forward of the dining table is a foot operated pass-thru to the galley. On both sides of the dining salon are large windows to ensure the view is not missed while dining indoors. In

front of the starboard window is the staircase leading to the sky lounge. This well planned, open design of this staircase has a minimal effect on light or view.

Salon

The main salon features cherrywood cabinetry and molding throughout. Large windows run the length of both sides to ensure maximum light and view. On the starboard side, you will find a wet bar with a black porcelain sink. This bar is accessible from the aft deck and dining salon.

Forward of the bar is a concealed 50" Panasonic plasma TV. To the left, under a built-in bookcase is the electronic cabinet featuring the video and music system. Programmable lighting is a feature in this room as well as in the dining salon, sky lounge and master stateroom.

Aft deck

The spacious and airy aft deck incorporates a cushioned settee and a large varnished teak table and chairs for comfortable seating for (10). The boat deck above extends out to protect this area in the event of rain or to offer shade on a hot summer day.

To the portside of the settee is a spiral stairway leading to the swim platform which features a hand held warm or cold shower and access to the lazarette and engine room. On the aft deck, forward to port, is a buffet serving bar with refrigerator and concealed entry to the engine room.

To starboard is a full size storage locker and ice maker. A pan/tilt camera is viewable from any TV for added security.

VIP Stateroom

The VIP stateroom features elegantly upholstered walls, cherrywood paneling and built-in desk, large 4' windows, cedar lined walk-in closet and a queen size bed with built-in storage. Opposite the bed is a 37' Panasonic plasma TV. The ensuite head features a Corian countertop and a large glass front shower.

Guest Stateroom

The starboard guest room features a full size bed with storage, walk-in closet and ensuite head with glass front shower and full size tub.

The port guest room offers (2) twin beds with storage plus a third pull down bunk concealed in the

upholstered wall. This room also has an ensuite head with a large glass front shower and a separate water closet.

Both staterooms have porthole windows, 20" Sharp flat screen TV's and upholstered walls. Both guest staterooms heads except the VIP's suite feature Santa Cecilia Yellow Granite counter tops.

Features

Concealed in the lower foyer are (2) full size, stacked Maytag washer/dryer units.

The Wheelhouse offers incredible visibility, comfort and lounging. The large, raised settee is perfect for chart viewing or casual dining. The hammer tone finish and maple floor set this area apart from the rest of the vessel. A Stidd helm chair and well placed electronics for navigation offer the master a very commanding position.

The boat deck, with its (6) person dining area, TEC propane grill, refrigerator and stainless steel sink, make this the perfect place for an afternoon BBQ.

Located just aft of the grill you will find ample space for a golf cart or jet ski. Opposite, on the portside, is an 18' Nautica tender which can be raised and lowered by a hydraulic deck crane system. (2) Switlik 10-person life rafts are located on this level aft.

(2) Muir 6000 anchor windlasses, (2) 180 anchors, chain wash, (2) Muir capstans, Marquip boarding stairs, 200' plasma tow line and bridle.

Central vacuum system, spare props, life jackets, alarm system, camera system.

Master Stateroom

Master stateroom features a king size bed and a generous amount of storage space. This stateroom features cherrywood throughout with built-in desk, (2) large cedar lined walk-in closets, upholstered lounge, concealed 37" Panasonic plasma TV and porthole windows.

The ensuite bathroom is also full beam and consists of (2) full size his and her heads on either side of an enormous 2-person walk-thru glass shower which features steam as well.

Skylounge

The Sky Lounge showcases several cherrywood built-in book shelves and a glass hutch. The room is surrounded by several large windows and has a door leading to the boat deck and another to the wheelhouse. The wet bar features a concealed 50" Panasonic plasma TV, lumen sink, ice maker and refrigerator.

A day head is located at the top of the stairs and has maple flooring, a Santa Cecillia Yellow Granite countertop and a large window. An electronic closet is located in the starboard aft portion of the room and houses the DVD and music system.

Flybridge

The best seat in the house!!

Sit back and relax with a cold drink as you take in the magnificent 360-degree view from the 3-person Hot Spring Jacuzzi, Stidd chairs or ample bench seating. This area is shaded by a lovely blue Bimini top and is equipped with a sink, refrigerator, helm station and wing station for docking. The Flybridge is accessible from the wheelhouse and boat deck.

Galley

This bright and roomy galley was clearly designed for comfort and efficiency with its Ebo foam padded flooring and vast Santa Cecillio yellow granite countertops. Stacked Thermador ovens, stainless steel sink and Sub Zero refrigerator/freezer are only an arms length away from the Thermador glass cook top. A second sink, dishwasher and trash compactor are grouped together for an easy post meal cleanup. A second freezer is located in the lazarette for extended cruise provisioning.

Crew Quarters

The crew quarters are located in the bow with access via stairs through the galley.

The large crew mess features a 6-person settee, Ebo Foam-padded flooring, full size stacked washer/dryer unit, sink, refrigerator, microwave, 16" Sharp flat screen TV, DVD player and VHF radio.

The captain's room is on the starboard side and equipped with a queen size bed, desk and chair, 20" flat screen TV, DVD and CD player and ensuite head.

(2) identical crew rooms are located forward of the settee and both feature (2) bunks, CD player and ensuite head.

Engine /Mechanical Equipment

(2) 65kW Northern Lights generators, American bow thruster, MarineAire A/C system, Headhunter sanitation system, Nautical Structures deck crane, (2) Matrix 1200 watermakers, ZF Mathers engine controls, (2) Jastram steering systems, CompAir air compressor, Naiad stabilizers, shore power inverters, shore power hook-up, emergency bilge pumps, fire pump system.

Electronics and Navigational Equipment

C Plath autopilot, Litton gyro, Furuno radar, navigation software, computer system, monitors, Furuno VHF, Global Star sat phone, Furuno SSB, Furuno video depth, (2) Northstar GPS, B&G wind, depth, speed, Kahlenberg horn, spotlights, wipers, magnetic compass.

Exclusions

All personal paintings, navigation items, memorabilia, artwork, pictures, modesl, books and videos.

Charts, ship's log and reference manuals, custom flagboard, dive gear.
