

# Introducing A Winning Combination!

Peter Kehoe and Joe Langlois

No one knows more about the performance characteristics of a yacht than the naval architect who designed it and supervised its building. In his distinguished career as resident naval architect for Broward Marine and Denison Marine, Joe Langlois has literally shaped American yacht building. Now Joe Langlois is on the team at Peter Kehoe and Associates as a licensed yacht broker and yacht consultant. If you are considering the purchase of any of the Langlois-designed yachts listed below, you now have the opportunity to gain the benefit of Joe's expertise in your decision-making process.

Miss Tumberry 140'

## Celebration 110' Denison

*One of Denison's most notable yachts, this 20-knot boat has new DDEC 16V92's engines and a dazzling new chic interior. Her super layout includes 4 staterooms — two are full-width masters, one on deck — and a huge open salon. This yacht has it all, from fishing cockpit, to 4,000-mile range, to all the latest electronic equipment. Owner's agent.*

## Concordia 80' Denison

*If you want fun and excitement, you want this yacht! Twin turbo 12-cylinder Deutz engines coupled to Arneson drives push her to 45 knots. Large master stateroom has 7'9" headroom, king-size bed, Jacuzzi; guest stateroom sleeps three. Special features include a comfortable salon with separate galley, hidden hydraulic anchor windlass, aft deck lounge with 7' Jacuzzi and TV, and large swim platform. Owner's agent.*
